Guidance on completing Equality Impact Assessments can be found on the intranet in the equality and inclusion section

Document:	Helpdesk System: Self-Help Kiosks
Executive Summary:	<p>As part of a new integrated helpdesk system, the college is proposing to introduce a series of self-help kiosks that will be placed across all campuses. These will enable students to access outstanding tickets from across various services and access self-help documentation and further support.</p> <p>The following EIA identifies a positive impact across all protected characteristics in terms of providing an additional option to access support. This will enhance accessibility for all students.</p> <p><b>Potential negative impact across all PCs:</b> Varying levels of digital literacy is likely to impact on student's ability to use this feature. This impact may occur across all protected characteristics.</p> <p><b>Mitigation:</b> Alternative approaches to offering support should be available, including face-to-face support Signposting available for alternative support New helpdesk feature introduced to students during induction</p> <p>The college should ensure that all vendors are able to build software that complies with the current accessibility regulations (WCAG 2.1 AA accessibility standard).</p> <p>All content should be created in Plain English with consideration to the college accessibility guidance.</p>

By law we must meet the requirements of the Equality Act 2010 including the Public Sector Equality Duty. Please give due regard to the following when completing an EIA;

- 1: Does the policy/practice eliminate discrimination, harassment and victimisation?
- 2: Does the policy/practice promote equality of opportunity?
- 3: Does the policy/practice promote good relations?
